Dear Benefactor:

On behalf of the Hugo Good Neighbors Food Shelf, thank you for your generous donation to our food shelf pasta dinner event on April 8, 2017. This year we had a record year and raised over \$5500.

We recently built a new food shelf to better serve our clients. With the generous donations of individuals and companies in the community, we were able to pay off our mortgage. All the money raised will continue to go towards helping our neighbors in need.

Sincerely,

Cindy Petty
Event Coordinator
